## NVOCC Services

Our NVOCC services are geared with the latest processes and state-of-the-art systems, all backed by highly trained professionals to ensure the highest standards of multi-modal transport services.

Our nationwide presence and reach are backed by our own CFS-ICDs that have allowed us to grow in ocean freight consolidation, with LCL and FCL services and an experience of over two decades, making us the global leader in LCL consolidation.

## Our Services

- LCL Consolidation
- FCL Forwarding – Exports and Imports
- Air Freight Services
- Movement of Over Dimensional Cargo
- Multi-city Consolidation – Exports and Imports
- DAP/DDP/Ex-Works

## Our Facilities

### CFS and ICD

Allcargo's CFS and ICDs are strategically located across India. A capacity of over 0.7 million TEUs supported by state-of-the-art facilities, equipment, technologies and being pilferage proof storage, ensure seamless and effortless international trade, making Allcargo the frontrunners in the CFS and ICD services.

Our state-of-the-art facilities in Nhava Sheva, Chennai, Mundra, Pithampur (Indore), Dadri and Kolkata, are truly world-class, while meeting the global safety and security standards, with GSV(CTPAT) and OHSAS accreditations.

### Bonded warehouse

Allcargo's bonded warehouses are advantageously located across different parts of India, providing the ability to meet all your import and export requirements. Our bonded warehouses spread over more than 3.5 lakh sq.ft., manned by expert teams, give you the convenience of smooth cargo movement. You have the complete support of our team as you process your cargo through customs, which also ensures quick turnaround for your cargo.

Our JNPT CFS facility is India's only CFS at JNPT to offer quality refrigerated warehousing for any cargo that needs special temperature controlled storage.

## Our Services

### LCL and FCL Services

Backed by an ever increasing network, Allcargo Logistics is the world's leading LCL consolidator.

Our dedicated team, provides best in class services to cater to the changing needs of our customers. Through our worldwide network and a host of direct services, we are able to cater to all major port locations.

Our customers enjoy unparalleled services, aimed at delivering the best possible customer experience for all their LCL and FCL needs.

### Multi-City Consolidation

Allcargo's multi-city consolidation facility is backed by its vast reach in even the remotest locations across India. Be it exports or imports, our strong presence in ICD can help you directly deliver to the end destination from the gateway ports. Our strategically placed ICDs and seamlessly integrated logistics help you reduce cost and transit time.

### Air Freight Services

At Allcargo, we take an organized and efficient approach to our Air Freight Services. This helps us move your cargo with speed, efficiency and reliability. We have a network of trusted international and domestic logistics partners, which add convenience to your cargo.

Backed by a team with over 2 decades of experience, your cargo is always safe and secure.

## The Allcargo Advantage
