LOGISTICS PARKS

Through our subsidiary, Allcargo Logistics and Industrial Parks, we offer state-of-the-art warehousing and industrial real-estate solutions.

With 14 strategically located parks across India we aim to take our nationwide warehousing footprint to 15 million sq. ft. by 2020. The purpose is to enable you to overcome your warehousing challenges by making the most of our well-planned and easily accessible parks. Our lineage and strengths in asset management and development execution sets us apart. And we are well poised to enable you to minimise your logistics overheads.

AWARDS AND RECOGNITIONS

CORPORATE SOCIAL RESPONSIBILITY

Our environment more than deserves our deepest commitment, and we at Allcargo Logistics lavish as much commitment and expertise towards safeguarding our environment, as we do for our business.

We specialise in movement and we believe our talent, expertise and the resources in movement can be wonderfully used to bring in great transformations and enrichment in the lives of people, so we can move the safety of our environment to a new level.

As a part of our commitment towards the environment, we have pledged to plant a million trees in the next five years.

Nipun, our skill development centre near JNPT trains unemployed youth and imparts skills related to logistics, enabling them to find jobs and lead a better life.

We believe that giving back to the community that we operate in, is the noblest form of moving we can do.
