P.C.:

- 1 Heard learned counsels for the parties.
- 2 By these scheme petitions, the sanction of the court is sought under Sections 391 to 394 of the Companies Act, 1956, to the Scheme of Arrangement between MHTC Logistics Private Limited with Allcargo Logistics Limited.
- Learned counsel for the Petitioner states that the Transferor Company is engaged in the business of Project Logistics and Freight Forwarding and the Transferee Company is engaged in the business of warehousing, transportation and handling of all kinds of cargo, running container freight stations, shipping agents and logistics business. The amalgamation of Transferor Company with Transferee Company would result in synergies and managing the Project Logistics and Freight Forwarding Business through a single network. The amalgamation of the two entities would result in combining the Project Logistics and Freight Forwarding business of the Transferor Company with Transferee Company under one umbrella without incurring avoidable expenditure on infrastructure and staff and will enable the Transferee Company to avail ventures of the industrial and commercial nature. The merged entity will be able to expand the business operations with minimum additional cost and in shortest possible time. The financial position of the merged entity will be better as compared to that of the stand-alone entities. The integration as proposed in the Scheme would enable cost savings, optimum untilization of aailable resources which will enhance the management focus thereby not only leading to higher profitability but will also increase the shareholders value of both companies. Amalgamation would further result in economies of scale in procurement, administration and marketing operations, avoiding duplication of efferts, costs and resources, lesser regulatory / procedural compliance, Integrate, rationalize and streamline the management structure of the merged business. Combined capital resources would strengthen the financial position of the merged entity and result in increasing leveraging capacity of the merged entity i.e. its capacity to borrow funds for bushiness purposes, pooling of the human talents in terms of manpower, management, administration and marketing which would result in savings of costs. Amalgamation of the companies would eliminate duplication of work, administrative services and will result in cost savings. Cost saving in fees / duties payable on statutory and procedural compliance. Facilitate inter transfer of resources and costs and optimum utilization of assets. Synchronizing of efforts to achieve uniform corporate policy. Ease in decision making. To reflect the consolidated net worth of these companies in one balance sheet.
- 4 The Petitioner Companies approved the said Scheme by passing resolution in their respective Board meetings which are annexed to the respective Company Scheme Petitions.
- The Counsel for the Petitioner companies* states that the Transferee Company i.e. Petitioner in Company Petition No. 436 of 2013 has received seven (7) objections from following unsecured creditions. The Transferee Company's view on the said objections is mentioned in detail in the Affidavit dated 19th November 2013. The objections raised by the following unsecured creditions:
 - (a) K Log Global Logistics Pvt. Ltd., (b) Kataria Logitrans (a division of Kataria Automobiles Pvt. Ltd.), (c) Myoho Transmodal Pvt. Ltd., (d) Gaurav Logistics Pvt. Ltd., (e) Western Carriers, (f) Krishna Motors, (g) R. R. Roadways Pvt. Ltd.
- The Objectors namely, Kataria Logitrans Limited, K. Log Global Pvt. Ltd. and Myoho Transmodal Pvt. Ltd. (Kataria Group) have appeared through one Advocate and the Credence Logistic has appeared through its' Advocate.
- The Kataria group has claimed an amount of approximately Rs. 7,00,00,000/- white the Credence Logistics has claimed approximately Rs. 85,81,000/-
- 8 Learned counsel for the Kataria Group sought time to file an affidavit when the matter came up on Board on 18 November 2013. Then on 22 November, 2013, the learned counsel was granted further time to file reply till

today. Today, again a request is made on bahelf of the Kataria Group for filing reply - affidavit. This request is opposed on behalf of the learned counsel for the petitioners as it was opposed on the last occasion. The learned counsel for the petitioners submitted that sufficient opportunity was given to the objectors and no further indulgence needs to the shown and a prays that sanction of the Scheme of Arrangement between the MHTC Logistics Private Limited with Allcargo Logistics Limited be granted forthwith.

- 9. The learned counsel Group was called upon to indicate the challenge to the Scheme since the learned counsel for the Petitioner was right in opposing adjournment. The learned counsel for Kataria Group submits that the balance sheet submitted by the petitioners is improper and it does not reflect dues of all the creditors. He submitted that under the Scheme itself, the only those objectors, who are mentioned in the balance sheet will be entitled to pursue their claims against the transferor company and all names are not referred. He submitted that there are various aspects of this matter which require a detailed investigation. The learned counsel submitted that objections to the scheme are fundamental and the proposed scheme of arrangement between the petitioner company and the transferee company shall not be granted.
- 10 The learned counsel for Credence Logistics submitted that a petition for winding up is filed against transferor company and therefore, the Scheme should not be sanctioned.
- 11 The Regional Director has found that the scheme proposed is not prejudicial to the public interest nor to the interest of the shareholders. The official liquidator has also filed a report in which it is stated that the Chartered Accountants and Auditors have examined the accounts of the company and other relevant records of the transferor company. Neither the Chartered Account or the auditors have found any objections with the balance sheet of the transferor company. Merely on the suggestion that the balance sheet is improper, the sanction of the scheme cannot be deferred that too, at the instance of a creditor.
- Though the learned counsel for the Kataria Group has sought to urge various grounds on behalf of other creditors, all of these objectors, who have filed summary suits are actively pursuing the suits. It is, therefore, clear that the said Kataria Group is using the present proceeding to pressurise the company to pay its debts. The summary suit filed by these objectors obviously will be pursued against the transferee company. As far as the apprehension of the learned counsel that only those creditors whose name are reflected in the balance sheet will be able to pursue their claim against the transferor company is misplaced. The relevant clauses of the scheme make it abundantly clear that all the creditors will be entitled to prosecute their claim against the transferee company, irrespective of their names being in the balance sheet. The learned counsel appearing for the petitioners has reiterated this position. It is also made clear that irrespective of what is stated in the balance sheet, the creditors of the company would be entitled to prosecute their legitimate claims against the transferee company. This would take care of the interest of the creditors.
- As far as the objections regarding the form of affidavit is concerned, the Company Registrar has not found it to be objectionable. In any case if the Company Registrar finds that the affidavit annexed to the petition is not in proper form as prayed under the Company Courts Rules, the Company Registrar will call upon the petitioner to file a correct affidavit and on this ground alone the Company Scheme Petition cannot be dismissed.
- As far as the objection raised by the Credence Logistics is concerned, the said objector has also filed a summary suit for recovery of the money. As far as winding a petition against the transferor company is concerned, by grant of the scheme the transferor company will merge into the transferee company and the company, thus effectively will be wound up. The winding up petition need not be an impediment in granting the Scheme. This objector will be entitled to pursue its claim against the transferee company.
- As far as the claim of the other three organizations, namely. Myoho Transmodal Pvt. Ltd., Gaurav Logistics Pvt. and R.R. Roadways Pvt. Ltd. is concerned, their claims are pending adjudication in the various forums. It is clarified that these proceedings will continue on their own merits and these objectors will be entitled to pursue their claims against the transferee company. As far as Krishna Motors is concerned. It is stated on affidavit by the petitioner that the dues of Krishna Motors have been paid. None has appeared on behalf of Krishna Motors to controvert this assertion.
- 16 It has been placed on record by the petitioners that the net worth of the transferee company after the merger would be approximately to the tune of Rs. 1150/- crores. The total assets, liabilities and profit and loss account of MHTC Logistics Pvt. Ltd. for the financial years is stated below as per the audited balance sheet of the company for the past three years:

	2012 - 2013	2011 - 2012	2010 - 2011
Total Assets	29,00,35,000/-	35,39,92,619/-	43,42,71,596/-
Total Liabilities	29,00,35,000/-	35,39,92,619/-	43,42,71,596/-
Profil & Loss	(-) 87,76,000/-	95,73,685/-	2,72,80,182/-

As far as Allcargo Logistics Limited is concerned the financial position as per the audited balance of the company for the past three years is se out as under :

	2012 - 2013	2011 - 2012	2010 - 2011
Total Assets	1997,53,00,000/-	1967,16,00,000/-	1274,69,71,000/-
Total Liabilities	1997,53,00,000/-	1967,16,00,000/-	1274,69,71,000/-
Profil & Loss	115,55,00,000/-	184,06,00,000/-	121,12,59,000/-

The above mentioned figures indicate that this amount will be sufficient to take care of interest of all the creditors, such as objectors. It is also a settled law that the scheme cannot be held up merely on the objections of the creditors, who are entitled to prosecute their claim against the transferee company. Since all other authorities have found the Scheme to be proper. I cannot exercise appellate jurisdiction over the Scheme particularly when it is found to be beneficial to all. The observations and clarification made above, in my opinion, are sufficient to take care of the interest of the creditors who have already prosecuted their claims in the various courts.

- 17 It is obvious that all the creditors will be entitled to prosecute their legitimate claims as per the remedy available in law
- As observed above, the Regional Director has filed an Affidavit on 31st August 2013 stating therein that save and except as stated in paragraph 6 of the Affidavit, the Scheme does not appear to be prejudicial to the interest of the shareholders and Public. In paragraph 6 of the Affidavit, the Regional Director has stated that :-

"Deponent further submits that, Clause 11.1(f) of the Scheme states that the Excess of the net assets value of the Transferor Company transferred to the Transferee Company, after making the adjustment as mentioned in sub-clause 11.1(a), (b) & (e), would be credited to the General Reserve Account. In this regard, it is submitted that the Reserve, if any, arising out of this Scheme, be credited to Capital Reserve Account of Transferee Company."

- So far as the observation made in paragraph 6 of the Regional Director's Affidavit is concerned, the learned counsel for the Petitioner Company on behalf of the Petitioner Company undertakes that, the Surplus, if any, arising out of this Scheme, will be credited to the Capital Reserve Account of the Transferee Company and in case of Deficit, if any, arising out of the Scheme the same will be debited to the Goodwill Account of the Transferee Company.
- 20 The Official Liquidator has filed his report dated 4th October 2013 in Company Scheme Petition No. 435 of 2013 stating therein that the affairs of the Transferor Company have been conducted in a proper manner and that the Transferor Company may be ordered to be dissolved by this Court.
- 21 From the material on record, the Scheme appears to be fair and reasonable and is not violative of any provisions of law and is not contrary to public policy.
- Thus taking overall view of the matter, I do not think that the objections raised by the objectors will defeat the scheme. The scheme cannot be called as irrational and in operational. The dispute raised by the objectors cannot be decided in the present proceedings. The statement of the learned counsel for the petitioners, accepted as above, protects the interest of the objectors. Thus from the material on record, the Scheme appears to be fair and reasonable and is not viotative of any provisions of law and is not contrary to public policy.
- 23 Since all the requisite statutory compliances have been fulfilled. Company Scheme Petition No. 435 of 2013 filed by the Transferor Company is made absolute in terms of prayer clauses (a) to (d) and (g). Company Scheme Petition No 436 of 2013 filed by the Transferee Company is made absolute in terms of prayer clauses (a) to (d) and (g).
- 24 The Petitioner Companies to lodge a copy of this order and the Scheme, duly authenticated by the Company Registrar, High Court (O.S.), Bombay with the concerned Superintendent of Stamps, for the purpose of adjudication of stamp duty payable, if any, on the same within 60 days from the date of the Order.

- 25 Petitioner Companies are directed to file certified copy of this order along with a certified copy of the Scheme with the concerned Registrar of Companies, electronically, along with E- Form 21 in addition to physical copy as per relevant provisions of law.
- The Petitioners in both the Company Petitions to pay costs of Rs. 10,000/- each to the Regional Director, Western Region, Mumbai, and the Petitioner in the Company Scheme Petition No. 435 of 2013 filed by the Transferor Company to pay costs of Rs. 10,000/- to the Official Liquidator, High Court, Bombay. Costs to be paid within four weeks from today.
- 27 Filing and issuance of the drawn up order is dispensed with.
- 28 All concerned authorities to act on a copy of this order along with Scheme duly authenticated by the Company Registrar, High Court (O.S.), Bombay.
