Reporting forms

The reporting schedules are considered restricted workpapers and copies are not provided to either group or component management. However, excerpts from early warning memoranda or SRMs may be shared with component or group management in order to confirm the factual accuracy and share details of accounting and auditing issues. Excerpts shared with component or group management do not include opinions and overall conclusions on the procedures performed.

Consolidation bundle 31.12.2016

VERSION: First

To be submitted to the RFC by......

7.	I confirm that we will cooperate with you and provide you with access ⁷ to relevant audit documentation.	al
8.	I confirm that in addition to the procedures required for group audit purposes, I will be providing component statutory audit opinions for the following entities:	
D W	escribe any exceptions to your ability to comply with the instructions or specify the instructions for hich you do not have a clear understanding and for which you require a clarification.	
С	onfirmation of independence	
B in In	Il members of our engagement team (including other professionals such as ITRA, Tax, etc.) have onfirmed to me that they and their immediate family members are independent of the ALLCARGO ELGIUM NV, consistent with the applicable requirements of IESBA Code of Ethics (and the country idependence rules if applicable). I also confirm that I am independent, consistent with said rules. I addition, based on my inquiries, I confirm that no member or associated firm within the [Country] ractice is providing non-audit services to ALLCARGO BELGIUM NV that have not been reported to and approved by [name of the partner in charge of the group engagement.] Such non-audit services comply	H

⁵ When the group applicable financial reporting framework is IFRS, the executives in charge of the component confirm that they have complied with the IFRS accreditation requirements in accordance with Appendix B of Global Assurance Policy Manual 2.3 or have sufficient competence in IFRS to perform the work requested in light of the engagement circumstances (refer to Global Assurance Policy Manual 2.3 Appendix B for further guidance).

⁶ Non assurance executives participating in the audit of the components have confirmed to the partner in charge of the component that they will meet the education requirements set forth in Appendix C of GAPM 2.3 prior to the completion of the component's audit work.

⁷ This statement recognizes that there is certain documentation that must be obtained, reviewed and retained by the Primary Team. On occasion, the Primary Team may request a component team to provide copies of specific workpapers that they believe are needed as part of the documentation for the group audit. Reasonable requests by the Primary Team for copies of workpapers supporting detailed audit work on the component are acceptable, subject to applicable local law on client confidentiality and/or on cross-border transfer of client information. A request for copies of workpapers is generally considered to be reasonable when the request occurs before the group audit report is issued, and when the component team's workpapers relate to significant findings or issues for the group audit, supplement a site visit or a conference call with the component team and are limited to a small number of workpapers. Refer to Appendix E to the Supplement for multilocation engagements for detailed guidance on access to workpapers in the context of a group audit engagement,

C-3 Audit Planning Memorandum

You are requested to complete an Audit Planning Memorandum. The Audit Planning Memorandum is the document that summarizes your overall strategy and audit plan. The extent of documentation in the Audit Planning Memorandum is commensurate with the assigned component materiality.

The Audit Planning Memorandum includes, at a minimum, the following matters:

- ▶ Significant changes in the nature of the component or its environment, including a brief description of the component's business, markets, other key environmental factors, and key stakeholders and the effect on your audit.
- ► Factors arising from the acceptance / continuance procedures, including a brief description of any factors arising from the acceptance/continuance procedures that may indicate additional risks of material misstatements at the group level.
- ▶ Observations from the overall analysis of financial and non-financial information that have an effect on the component audit.
- ► The component materiality and threshold for clearly trivial misstatements used for group reporting purposes.
- ▶ Significant accounting and auditing matters, including a brief discussion of your plan to address them, and any changes in the selection and application of the accounting policies at the component.
- ► Summary of your observations relating to the key elements of the control environment at the component.⁸
- ▶ The team's discussion and significant decisions about :
 - The susceptibility of the financial information of the component to material misstatement due to fraud
 - Related party relationships and transactions including plans to obtain sufficient appropriate evidence
 - Significant accounting estimates
- ▶ Significant risks, including those risks communicated by us or identified by you in addition to those communicated by us, risks of material misstatement due to fraud and risks related to significant related party transactions outside the component's normal course of business, and the proposed response(s) to those risks. If you have not identified revenue recognition as a risk of material misstatement due to fraud, include the reasons supporting your conclusion.
- ▶ Matters related to litigations and claims which may be significant for the group audit.
- ▶ Going concern issues, including the need for the component auditor to remain alert for factors that may affect the going concern assumption.
- ► Information that indicates the existence of fraud
- ► The list of material account balances, classes of transactions or disclosures, including the overview of the audit strategy and, where applicable, audit plan at the account /assertion level. 9
- ▶ Other matters of significance as considered appropriate.

⁸ Refer to ISA 315 .15 for further details

⁹ ISA 330.18

ALLCARGO BELGIUM NV Interoffice engagement instructions

Section C-4

If one or more of the topics above are not applicable to your component, or you don't have anything to report, please so indicate in your Audit Planning Memorandum.

C-4 Early warning memorandum (EWM)

An early warning memorandum (EWM) is called for when a component team identifies a significant auditing or accounting issue that needs to be communicated on a timely basis.

The following matters are communicated immediately to us:

- ► Audit evidence is obtained from performing work on the financial information of the component that contradicts the audit evidence on which the group engagement team originally based the risk assessment performed at group level
- Related parties not previously identified by group management or by us
- ▶ Significant risks of material misstatement of the group financial statements, identified in the component and the component team's response to such risks
- ▶ Unusual transactions/events
- ▶ Significant accounting, financial reporting and auditing matters that have been identified, including accounting estimates and related judgments and apparent accounting policy changes and potential year-end exposures
- ▶ Matters relating to the going concern status of the component
- ▶ Matters relating to litigation and claims
- ➤ Significant deficiencies in internal control at the component level that the component team has identified during the performance of the work on the financial information of the component
- ▶ Information that indicates the existence of fraud or the possibility that fraud or questionable or illegal acts, including questionable payments, may have occurred
- ► Reporting timetable problems
- ▶ Expectations of component management differ from those of group management, as communicated by us
- ▶ Proposed adjustments that may have a significant effect on the component's financial information
- Potential report modifications

The required format of the EWM is provided below. Use this format to communicate relevant matters as soon as they arise. When appropriate, please discuss and agree upon all issues with component management prior to submission of the EWM to us.

ALLCARGO BELGIUM NV Interoffice engagement instructions

Section C-4.1

In completing the action required:

- ▶ Specify by whom the action is required to be taken (i.e., component or group management, Primary Team, or component team).
- ▶ If the issue is cleared, mark "resolved."
- ▶ If the issue is open, describe briefly the action to be taken and by whom.
- ▶ If the issue requires a proposed adjustment, indicate value and nature.
- ▶ If multiple EWMs have been issued, please report all matters previously communicated into the current EWM issued, together with an indication of the date(s) when these matters were communicated and an update on their current status.

C-5 Auditor's report to the Group Auditor on the audit for group audit purposes

Name(s) of component(s):

ECU Worldwide (Hong Kong) Limited

Group code/Component identifier:

Hona Kona

Year-end: Currency: 31st December, 2016

Hong Kong Dollar

To: Group Auditor/ Ömer Turna and Thomas Haesmans

As requested in your instructions dated 6 January 2017, we have audited, for the purpose of your audit of the group financial statements of ALLCARGO BELGIUM NV, the special purpose financial information reporting package of ECU Worldwide (Hong Kong) Limited (a Subsidiary of ALLCARGO BELGIUM NV) as of December 31, 2016 and for the year then ended (the specified forms).

Management's responsibility for the specified forms

Management is responsible for the preparation and presentation of the specified forms in accordance with policies and instructions contained in ALLCARGO BELGIUM NV accounting policies (Belgian GAAP). This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and presentation of the specified forms that are free from material misstatement, whether due to fraud or error, selecting and applying appropriate accounting policies and making accounting estimates that are reasonable in the circumstances. The specified forms have been prepared for the sole purpose of consolidation into the ALLCARGO BELGIUM NV group financial statements.

Auditor's responsibility

Our responsibility is to express an opinion on the specified forms based on our audit. We conducted our audit in accordance with International Standards on Auditing. International Standards on Auditing require that we comply with ethical requirements and plan and perform procedures to obtain reasonable assurance about whether the specified forms are free of material misstatement and to obtain audit evidence about the amount and disclosures in the specified forms. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the specified forms, whether due to fraud or error. In making those risk assessments, we considered internal control relevant to the component's preparation and presentation of the specified forms in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the component's internal control. An audit also include the evaluation of the appropriateness of accounting policies used and the reasonableness of accounting estimates, if any, made by management, as well as evaluating the overall presentation of the specified forms.

As requested by you, we planned and performed our audit using the component materiality specified in your instructions of € 100.000, which is different from the materiality level we would have used had we been designing the audit to express an opinion on the financial statements of the component alone.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion. The conclusions reached in forming our opinion are based on the component materiality specified by you in the context of the audit of the group financial statements.

Opinion

In our opinion, the specified forms of ECU Worldwide (Hong Kong) Limited as of December 31, 2016 and for the year then ended have been prepared, in all material respects, in accordance with Belgian GAAP.

Restriction on Use and Distribution

The specified forms have been prepared for purposes of providing information to ALLCARGO BELGIUM NV to enable it to prepare the group financial statements. As a result, the specified forms are not a complete set of financial statements of ECU Worldwide (Hong Kong) Limited in accordance with Belgian GAAP and are not intended to present fairly, in all material respects (or to give a true and fair view of) the financial position of ECU Worldwide (Hong Kong) Limited as of December 31, 2016 and of its financial performance, and its cash flow for the year then ended in accordance with Belgian GAAP. The specified forms may, therefore, not be suitable for another purpose.

This report is intended solely for your information and use in conjunction with the audit of the group financial statements of ALLCARGO BELGIUM NV and should not be used by anyone for any other purpose. If you have any questions on this report, please contact me.

24th April, 20/17

Union Link CPA Limited

Note 1: Material uncorrected misstatements

If the uncorrected misstatements identified as a result of the audit procedures performed in the context of the audit and included on the Summary of identified misstatements are judged to be materially misstating the specified forms for the purpose of their inclusion in the group financial statements, the matter(s) leading to the modification of the opinion are described in the paragraph "Basis for qualified opinion." Additionally, the component auditor includes a quantification of the possible effect(s) on the specified forms.

The opinion paragraph is adjusted as follows: "Except for the effect on the specified forms of the matter(s) referred to in the preceding paragraph, in our opinion, the specified forms for ECU Worldwide (Hong Kong) Limited as of December 31, 2016 and for the year then ended have been prepared, in all material respects, in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and have been properly prepared in compliance with the Hong Kong Companies Ordinance.

Note 2: Scope limitations

If there is a limitation on the scope of the component auditor's work that requires the expression of a modified opinion, the paragraph "Basis for qualified opinion" describes the nature of the scope limitation including the description of procedures the component auditor was unable to perform.

The opinion paragraph indicates the possible adjustments to the specified forms that might have been determined to be necessary had the limitation not existed: "Except for the effects of such adjustments if any, as might have been determined to be necessary had we been able to satisfy ourselves as to (scope limitation), in our opinion, the specified forms for ECU Worldwide (Hong Kong) Limited as of December 31, 2016 and for the year then ended have been prepared in all material respects, in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and have been properly prepared in compliance with the Hong Kong Companies Ordinance."

If there is a limitation on the scope of the component auditor's work that is so material and pervasive that the component auditor has not been able to obtain sufficient audit evidence and, accordingly, is unable to express an opinion to the Group Auditor on the specified forms for the purpose of inclusion in the group financial statements, then the basis for disclaimer of opinion paragraph describe the nature of the scope limitation including a description of procedures the component auditor was unable to perform. Paragraph 2 is adjusted as follows: "As requested in your instructions dated January 6, 2017, we were requested to perform an audit for the purpose of your audit of the group financial statements (remainder of paragraph remains the same).

The opinion paragraph is adjusted as follows: "Because of the significance of the matters discussed in the preceding paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the specified forms."

Note 3: Matter for which the Group Auditor is responsible

If the component auditor identified matters that are the responsibility of the Group Auditor and that cannot be resolved at the component, and the component auditor did not encounter a scope limitation, the paragraph "Basis for qualified opinion" describes the nature of these matters.

The opinion paragraph is modified in a manner similar to the following: "Except for the effects of the matters described above that are your responsibility, in our opinion, the specified forms for ECU Worldwide (Hong Kong) Limited as of December 31, 2016 and for the year then ended have been prepared, in all material respects, in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and have been properly prepared in compliance with the Hong Kong Companies Ordinance.

If the component auditor identified matters that are the responsibility of the Group Auditor, and that cannot be resolved at the component resulting from a scope limitation, the paragraph "Basis for qualified opinion" describes the nature of these items and the wording of the opinion is modified appropriately following the guidance in *Note 2*.

Note 4: Additional forms not covered by the report but that were subjected to agreed-upon procedures

When additional forms were subjected to agreed-upon procedures but are not covered by the audit report to the group auditor, the following paragraph is inserted:

"In addition to the specified forms referred to above, the reporting package contains the following: [N/A]. We have performed the procedures specified in your instructions dated December 31, 2016 on those additional forms. Those procedures were performed solely to assist in your audit work. The sufficiency

of those procedures is solely your responsibility, and we make no representation regarding their sufficiency for any purpose. Our findings are presented in the Final Summary Memorandum. Because these procedures do not constitute either an audit or a review, we do not express any opinion on the additional forms. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you."

C-8 Final Summary Memorandum

Provide a Final Summary Memorandum for your component that summarizes important audit results and conclusions, highlighting major issues. Please write your Final Summary Memorandum in a manner that fully explains the facts of the issues, amounts involved and conclusions reached.

We expect you to address all issues discussed in the Audit Planning Memorandum in the Final Summary Memorandum. The extent of documentation in the Final Summary Memorandum is commensurate with the component materiality assigned to you in accordance with Section B-2.

In order to align our communication to ALLCARGO BELGIUM NV and reduce inefficiencies, we have prepared a template that we want all in scope component teams to populate and submit. No other form or version of required reporting will be accepted. Please refer to **Appendix C-8.1**

C-11 Summary of identified misstatements

The Final Summary Memorandum includes a Summary of identified misstatements which is used to accumulate and summarize misstatements on all engagements. In order to align our communication to ALLCARGO BELGIUM NV and reduce inefficiencies, we have prepared a template that we want all in scope component teams to populate and submit. No other form or version of required reporting will be accepted. Please refer to appendix C-11.1

Provide adequate explanation of the nature of each misstatement (including a brief discussion of component management's position and an explanation of your position) in the Final Summary Memorandum and note whether it has been discussed with component management.

In order for us to appropriately communicate with those charged with governance, we need to be aware of the reasons why component management has not corrected all misstatements, therefore please indicate the reason in the template.

Do uncorrected misstatements exceed UMT?	Yes	Yes	Yes	Yes

Are there any current year or prior year uncorrected misstatements on "SAD uncorrected", "Cash flow misstatements" or "Misstatements In disclosures" schedules?

No, we have none

OYes, we have misstatements

We considered the following factors in evaluating whether or not the financial statements are materially misstated:

			Yes/No! N/A	Comments (required if any "Yes" or "N/A")
1.	Uncorre	ected misstatements, individually or in aggregate, are material to:		
	a,	The basis on which we determined materiality when that basis is other than pretax income.		
	b,	Income statement amounts or subtotals.		
	C	Pretax or after-tax income or the trend of earnings, before the turnaround effect of the prior-period uncorrected misstatements.		
	d	Pretax or after-tax income or the trend of earnings, after the turnaround effect of the prior-period uncorrected misstatements.		
	6	Balance sheet amounts, including working capital and shareholders' equity.		
	f.	Reported components of other comprehensive income		
	g	Reported components or subtotals of operating, investing and financing activities in the statement of cash flows.	all style	
	h.	Totals or any Individual line items in significant disclosures, including segment disclosures.		
	ĵ.	Results reported in the interim financial statements and disclosures for the current fiscal period (when applicable).		
2		cted misstatements, Individually or in aggregate, affect the compliance with any debt covenant ments in the current period.		
3. C		iew of corrected and uncorrected misstatements indicates significant deficiencies in internal control g communication to those charged with governance. (Note 1)		
4.	Our revi	iew of the corrected and uncorrected misstatements indicates the cause is fraud or illegal acts.		
5.	conside	Il of uncorrected misstatements exceed UMT (Uncorrected Misstatements Threshold). We have red the higher risk of undetected misstatement (as per GAM CO2_2.3 The potential for undetected ements) and reconsidered the effect on our determination of TE, the CRAs and our substantive res.		
6.		sidered other qualitative factors and determined the uncorrected misstatements to be material to the the financial statements.		

For any 'Yes' responses above, indicate the steps to be taken (e.g., reassess audit scope, reassess risk of material misstatement due to fraud, modify audit opinion, reassess engagement

continuance).

A 'No' response implies the total uncorrected misstatements are not material to the question being asked.

When not reporting on Internal Controls, this consideration should read: "Our review of corrected and uncorrected misstalements indicates significant deficiencies in internal control requiring communication to those charged with governance."

When reporting on Internal Controls, this consideration should read: "We have considered corrected and uncorrected misstatements, determined whether such misstatements were the result of internal control deficiencies, and posted those deficiencies to the SOCD." We answer "Yes" and cross reference to our documentation.

(Note 2) When the misstatements remain uncorrected and cause the financial statements to be materially misstated the conclusion statement needs to be changed to reflect the discussion on modification of our

For misstatements in the income statement and balance sheet that have an effect on income we are required to consult with the Sub-Area PPD audits of listed entities, entities in regulated industries, public (Note 3) interest entities and other high risk entitles (as defined by the Area Practice) when:

• The gross aggregated uncorrected misstatements (i.e., aggregated uncorrected misstatements for the current period) or net aggregated uncorrected misstatements (i.e., the net of aggregated uncorrected misstatements in the current period and the turnaround of misstatements from the prior period), or any individual uncorrected misstatement, exceeds either:

5% of pretax income when pretax income is the basis we use for establishing PM
 An amount that represents the low end of the range of acceptable values for PM (e.g., 1/2 % of revenues, 1% of gross margin, 1% of equity) when we use other bases for establishing PM [In the US we consult with a Professional Practice partner assigned to the Region for all audits (and not just listed entities etc.) when the above criteria are met.]

Section C-12

C-12 Subsequent events procedures

Name(s) of component(s):

ECU Worldwide (Hong Kong) Limited

Group code/Component identifier:

Hong Kong

Reporting currency:

Hong Kong Dollar

Year-end:

31st December, 2016

Subsequent events procedures

We have performed, to the date of this memorandum, the following subsequent events procedures and other audit procedures covering transactions, operations and corporate minutes from the date of our interoffice conclusion and summary review memorandum (SRM).

- ▶ Consideration of management's process for ensuring subsequent events are identified;
- Review of minutes of meetings held after the balance sheet date;
- ▶ Review of relevant accounting reports and financial information, such as interim reports, budgets, cash flow forecasts and other related management reports;
- ► Enquiry of management to determine:
 - o if there have been any significant transactions
 - If any signficant contingent liabilities or commitments have arisen
 - o If there are any changes to existing litigation or new litigation
 - o If there have been any events that may impact valuation of accounts receivable
 - o If there have been any changes to internal control
 - If there have been any changes to the accounting systems
- Update on Fraud inquiries.

In the course of performing those procedures, no material subsequent events or transactions have come to our attention or adjustments have been discovered that should be considered by you, based on the assigned Tolerable Error, in reporting on the group financial statements of ALLCARGO BELGIUM NV for the year-ended December 31, 2016. Additionally, the conclusion expressed by us in the interoffice conclusion and summary review memorandum (SRM) requires no change or update as of today's date.

ISA 600 Questionnaire

International Standard on Auditing ("ISA") 600 Special Considerations – Audits of Group Financial Statements (Including the Work of Component Auditors) requires that we, as Group Auditor of ALLCARGO BELGIUM NV, perform procedures to obtain sufficient appropriate audit evidence that the work on the financial information is adequate for the purposes of the group audit engagement. Therefore, we request you to complete the questionnaire included in appendix C-15.

Other requirements

At a later stage, additional deliverables might be required related to Group disclosures, with later deadlines.
